Subject: Letter Dated 12/16/2009

Dear Unit Chief Byers,

Applicant thanks the Unit Chief for her letter of 12/16/2009 and responds thereto.

The Unit Chief's letter states that IPU has reviewed the allegations in Applicant's 11/21/2009 and 11/30/2009 letters, and has determined that there is no evidence of misconduct by FBI employees.

Applicant notes that no "evidence" was provided in Applicant's letters, only "allegations." Applicant was not contacted or asked to provide evidence in support of these allegations, which Applicant is surprised about given the effect of the allegations under *Brady-Giglio* and related cases concerning certain types of conduct by law enforcement officers. May the Applicant submit evidence to the Unit Chief's attention without prejudicing Applicant's eventual appeal of the 6/30/2009 suitability determination? If so, it would assist Applicant if the Unit Chief could provide a list of everything reviewed and every person contacted by IPU in response to Applicant's 11/21/2009 and 11/30/2009 letters.

Sincerely,

[REDACTED]
