Subject: 11/30/2009 Letter

Dear Assistant Director Raucci,

Applicant references his letter dated 11/30/2009 to the Assistant Director requesting notice and an opportunity to be heard regarding a 6/30/2009 suitability determination made by the Special Agent Clearance Unit.

Applicant has received a letter dated 12/10/2009 from Section Chief Mark A. Gant of the Initial Clearance Section that indicates to Applicant that his appeal is most appropriately addressed to the Special Agent Clearance Unit. Unless otherwise directed Applicant will appeal to Acting Unit Chief Montchell Brice of SACU.

While Applicant reaffirms what is stated in the 11/30/2009 letter, the letter was inartfully worded in a number of respects. Applicant apologizes to the Assistant Director and the other recipients of Applicant's 11/30/2009 letter for this as well as for imposing on their attention.

Sincerely,

[REDACTED]
