Grahm,

Thank you, I will certainly pursue any available options. I hope that with the passage of time whatever choices or traits disqualified me become less of a concern to the FBI.

Best,

Well I'm sure you have reached out to your applicant coordinator. If not please do, he or she will be the best resource for you. I was only a small part of your application, and I did not adjudicate your application. I also recommend that you ask your coordinator the options of re-applying etc. I wish I could be more helpful.

Grahm,

I received a letter dated 7/1/09 from Acting Unit Chief Montchell Brice of the Special Agent Clearance Unit withdrawing my conditional appointment offer. Can I ask what was enough of a concern in my application to withdraw the offer?

Thanks,
