Re: "Hi."

Dear Mahsa,

I was wondering why I stopped hearing from you in early July 2021, but now I have the answer. Honestly, I was relieved to not hear anything from you for a month due to the erratic nature of your communications, but obviously that feeling was short-lived.

I have mixed feelings about your recent detention on Federal charges, which I happened to notice online in a routine search.

On the one hand, I'm glad that someone may put a stop to your outrageous behavior for a period of several years. On the other hand, I feel somewhat bad for you given your mental health situation. I simply don't think you are competent to stand trial in a Federal felony case, and I have shared this concern with your defense counsel.

Feel free to have your attorney reach out in the event you think I might have any information that would benefit your defense. Otherwise, I'm not sure there is a need to continue any correspondence.

Sincerely,

Andrew G. Watters
