CONTENDERE GUILTY

FINDING

There being a verdict of GUILTY on December 16, 2021, defendant has been convicted as charged of the offense(s) of: **False Statement in a Passport Application in violation of 18 U.S.C. § 1542, as charged in Count One of the Indictment; Aggravated Identity Theft in violation of 18 U.S.C. § 1028A(a)(1), as charged in Count Two of the Indictment.**

JUDGMENT AND PROB/COMM ORDER

The Court asked whether there was any reason why judgment should not be pronounced. Because no sufficient cause to the contrary was shown, or appeared to the Court, the Court adjudged the defendant guilty as charged and convicted and ordered that: **Pursuant to the Sentencing Reform Act of 1984, it is the judgment of the Court the defendant is hereby committed to the custody of the Bureau of Prisons to be imprisoned for a total term of 61 months: 37 Months as to Count One and 24 Months as to Count Two, to be served consecutively.**

Upon release from imprisonment, the defendant shall be placed on supervised release for three years as to Count One and one year as to Count two, to be served concurrently, for a total term of **three years** under the following terms and conditions:

1. The defendant shall comply with the rules and regulations of the United States Probation & Pretrial Services Office and Second Amended General Order 20-04.
2. During the period of community supervision, the defendant shall pay the special assessment in accordance with this judgment's orders pertaining to such payment.
3. The defendant shall cooperate in the collection of a DNA sample from the defendant.
4. The defendant shall refrain from any unlawful use of a controlled substance. The defendant shall submit to one drug test within 15 days of release from custody and at least two periodic drug tests thereafter, not to exceed eight tests per month, as directed by the Probation Officer.
5. The defendant shall participate in mental health treatment, which may include evaluation and counseling, until discharged from the program by the treatment provider, with the approval of the Probation Officer.
6. As directed by the Probation Officer, the defendant shall pay all or part of the costs of the Court-ordered treatment to the aftercare contractors during the period of community supervision. The defendant shall provide payment and proof of payment as directed by the Probation Officer. If the defendant has no ability to pay, no payment shall be required.
7. The defendant shall truthfully and timely file and pay taxes owed for the years of conviction and shall truthfully and timely file and pay taxes during the period of community supervision. Further, the defendant shall show proof to the Probation Officer of compliance with this order.

USA vs. Mahsa Parviz (#54652-509)

Docket No.: 2:21-cr-00293-SB-1

- 8. The defendant shall not obtain or possess any driver's license, Social Security number, birth certificate, passport, or any other form of identification in any name, other than the defendant's true legal name, nor shall the defendant use, any name other than the defendant's true legal name without the prior written approval of the Probation Officer.
- 9. The defendant shall submit the defendant's person, property, house, residence, vehicle, papers, computers, cell phones, other electronic communications or data storage devices or media, email accounts, social media accounts, cloud storage accounts, or other areas under the defendant's control, to a search conducted by a United States Probation Officer or law enforcement officer. Failure to submit to a search may be grounds for revocation. The defendant shall warn any other occupants that the premises may be subject to searches pursuant to this condition. Any search pursuant to this condition will be conducted at a reasonable time and in a reasonable manner upon reasonable suspicion that the defendant has violated a condition of his supervision and that the areas to be searched contain evidence of this violation.
- 10. The defendant shall not contact her biological daughter C.P., by any means, including in person, by mail or electronic means, or via third parties. Further, the defendant shall always remain at least 100 yards from C.P. If any contact occurs, the defendant shall immediately leave the area of contact and report the contact to the Probation Officer.

It is ordered that the defendant shall pay to the United States a special assessment of \$200, which is due immediately. Any unpaid balance shall be due during the period of imprisonment, at the rate of not less than \$25 per quarter, and pursuant to the Bureau of Prisons' Inmate Financial Responsibility Program.

Pursuant to Guideline Section 5E1.2(a), all fines are waived as the Court finds that the defendant has established that she is unable to pay and is not likely to become able to pay any fine.

The Court authorizes the Probation Officer to disclose the Presentence Report, and any previous mental health evaluations or reports, to the treatment provider. The treatment provider may provide information (excluding the Presentence report), to State or local social service agencies (such as the State of California, Department of Social Service), for the purpose of the client's rehabilitation.

Defendant informed of her right to appeal.

The Court, having issued no preliminary order of forfeiture, dismisses any pending forfeiture allegations within the underlying indictment.

The Court, having found the U.S. Probation Office acknowledged an error in paragraph fifteen of the Presentence Report, denies the Government's motion for the U.S. Probation Office to further revise the Presentence Report as the U.S. Probation Office has acknowledged their error in the Addendum. Dkt. No. 119.

The Court reiterates the importance of compliance with Supervised Release Condition 10 as stated on the record. But the Court declines the Government's request to modify Condition 10 to include unspecified caregivers as unnecessary because the condition bars direct or indirect contact with CP (and the Government has not shown that the kidnapping case in Texas did not result in a protective order in favor of specified caregivers).

The Court, having heard no motion to the Court for designation of the Defendant, declines to recommend a designation for her term of imprisonment at this time.

In addition to the special conditions of supervision imposed above, it is hereby ordered that the Standard Conditions of Probation and Supervised Release within this judgment be imposed. The Court may change the conditions of supervision, reduce or extend the period of supervision, and at any time during the supervision period or within the maximum period permitted by law, may issue a warrant and revoke supervision for a violation occurring during the supervision period.

The defendant must notify the Court (through the Probation Office) and the United States Attorney of any material change in the defendant's economic circumstances that might affect the defendant's ability to pay a fine or restitution, as required by 18 U.S.C. § 3664(k). The Court may also accept such notification from the government or the victim, and may, on its own motion or that of a party or the victim, adjust the manner of payment of a fine or restitution under 18 U.S.C. § 3664(k).
